Channa

We haven't any comments to this ED. I am linking our response to the IESBA ED. The points raised are not such that I would want to see diversion from the IESBA code but they might be good to include as you draft basis for conclusion or other documents. <https://www.ifac.org/system/files/publications/exposure-drafts/comments/CAANZSubmissiononRoleandMindsetED.pdf>

Hi Kristen,

No worries, even a general one-pager is fine.

So far, we have received one submission from CPA Australia which raises one point as per their original submission to IESBA.

Kind regards

Channa

Hi Kristen,

Hope you are keeping well.

A gentle reminder whether you are going to put in a submission on the Role and mindset ED.

IPA has requested an extension till C.O.B Monday 8th of Feb.

Let me know, as it would be good to get a submission from you.

Thanks

Kind regards
