

## **MAPPING TABLE**

ED 05/21 APES 320 Quality Management for Firms that provide Non-Assurance Services (August 2021) compared with APES 320 Quality Control for Firms (September 2019)

**Prepared by the Technical Staff of APESB** 

## Note to Stakeholders

This Mapping Table is a supplement to, and not part of, APES 320. It has been prepared by Technical Staff of APESB to assist users of APES 320 navigate to the corresponding provisions in the extant APES 320.

The Mapping Table sets out the provision numbers in the proposed revised APES 320 and links it to the relevant reference number in the extant APES 320. Comments are included where necessary to explain the nature of the changes.

| Proposed APES 320 ED<br>(August 2021) | Extant APES 320<br>(September 2019) | High level summary of changes (excluding minor editorials and changes to paragraph references within paragraphs resulting from new numbering system in the proposed APES 320 ED)  |
|---------------------------------------|-------------------------------------|---|
| Note that paragraphs are p            | presented in the order of the       | e proposed APES 320 ED (August 2021)  |
| APES 320 Quality Manage               | ment for Firms that provide         | Non-Assurance Services  |
| 1. Scope and Application              | 1. Scope and Application            | No change   |
| 1.1                                   | 1.1                                 | Noting new name <i>Quality Management for Firms that provide Non-Assurance Services</i> for the Standard and amended system of quality control to System of Quality Management and Reasonable Assurance to reasonable confidence. Removed reference to Relevant Ethical Requirements to focus on compliance with Professional Standards.  |
| 1.2                                   | 1.2                                 | Noting new name for the Standard and that APES 320 has been reissued and that Firms are required to incorporate appropriate amendments to their systems by 1 January 2023 to establish a System of Quality Management.  |
| 1.3                                   | 1.3                                 | Change of system of quality control to System of Quality Management and noting that the standard includes paragraphs with considerations specific to smaller firms on how this Standard is scalable.  |
| 1.4                                   | 1.4                                 | No change   |
| 1.5                                   | 1.5                                 | No change   |
| 1.6                                   | 1.6                                 | No change   |
| 1.7                                   | 1.7                                 | No change   |
| 1.8                                   | 1.8                                 | No change   |
| 1.9                                   | 1.9                                 | No change   |
| 1.10                                  | 1.10                                | Paragraph amended to highlight that: - Firms that provide non-assurance services are required to comply with APES 320 to their non-assurance practices and Engagements; and - Assurance Practices within Firms are required to comply with APES 210 Conformity with Auditing and Assurance Standards (APES 210) which includes the quality management standards issued by the AUASB being: ASQM 1 – Quality Management for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, Other Assurance Engagements and Related Services Engagements (ASQM 1); ASQM 2 – Engagement Quality Reviews (ASQM 2); and ASA 220 Quality Management for an Audit of a Financial Report and Other Historical Financial Information Referring to Appendix 1 flow chart illustrating the quality management standards that apply and Appendix 2 for a high-leve comparison of APES 320's elements to ASQM 1's components. |
| -                                     | 1.11                                | Removed paragraph that referred to ASA 220 as more relevant to Assurance Practices and is outside the scope of reissued APES 320.   |
| 1.11                                  | 1.12                                | No change   |
| 2. Definitions                        | 2. Definitions                      | No change   |
| Assurance Engagement                  | AUST 2.1 (a)                        | Definition amended to align to the definition in Amendments to Part 4B of APES 110 Code of Ethics for Professional Accountants (including Independence Standards) issued in September 2020.   |
| Assurance Practice                    | AUST 2.1 (b)                        | Added agreed-upon procedures Engagements and footnote reference to ASRS 4400 <i>Agreed-Upon Procedures</i> Engagements for a description of such engagements which are covered by ASQM 1 and not within the scope of APES 320.  New definition added from the Code for use of defined term in Section 1 <i>Scope and Application</i> and definition of Assurance  |
| AUASB                                 | -                                   | Engagement.   |
| Client                                | AUST 2.1 (c)                        | No change   |
| Code                                  | AUST 2.1 (d)                        | No change   |

| Ownership of Engagement               | Ownership of Engagement               |   |
| Documentation                         | Documentation                         |   |
| 4.58                                  | 105                                   | Removed reference Assurance Engagements and added that Engagement Documentation does not include the original source documentation provided by clients to provide greater clarity to Firms.   |
| Information and                       |                                       | New subsection added  |
| Communication                         | _                                     | New subsection added  |
| 4.59                                  | -                                     | that address obtaining, generating and using information about the System of Quality Management and communicating that information within the Firm and to external parties on a timely basis.   |
| 4.60                                  | -                                     | New paragraph added to highlight information and communication is pervasive to all elements of the System of Quality Management and the procedures of retrieving the information may be enforced through IT applications or embedded into Firm's other policies and procedures (based on paragraph A111 of ASQM 1). |
| 4.61                                  | -                                     | New paragraph that smaller firms may not need rigorous policies and procedures in relation to information and communication (based on paragraph A111 of ASQM 1).  |
| Communication within Larger Firm      | -                                     | New subsection  |
| 4.62                                  | -                                     | New application material in relation to recognising and reinforcing the responsibility to exchange information within the Firm and provides examples of communication among the Firm, Personnel and Engagement Teams, based on paragraph A112 of ASQM 1.  |
| Communication with External Parties   | -                                     | New subsection  |
| 4.63                                  | -                                     | New application material in relation to the Firm communicating information within a Network or to or from a Service Provider that supports the System of Quality Management. Based on paragraph A113 of ASQM 1 and 'establishing and maintaining' used instead of 'the design, implementation and operation of'.    |

| Proposed APES 320 ED<br>(August 2021)                          | Extant APES 320<br>(September 2019)                         | High level summary of changes (excluding minor editorials and changes to paragraph references within paragraphs resulting from new numbering system in the proposed APES 320 ED)   |
|--|---|--|
| Note that paragraphs are p                                     | presented in the order of the                               | proposed APES 320 ED (August 2021)   |
| 4.64   | -   | New application material in relation to examples of when law, regulation or Professional Standards may require the Firm to communicate information to external parties. Based on paragraph A114 of ASQM 1 except used more specific reference to Section 360 Responding to Non-Compliance with Laws and Regulations of the Code and removed reference to transparency reports which relate to Assurance Practices and is outside of the scope of reissued APES 320. Also includes new application material in relation to examples of when Firm's may be precluded from communicating information externally, based on paragraph A115 of ASQM 1 except added specific reference to Subsection 114 Confidentiality of the Code. |
| Monitoring and remediation                                     | Monitoring  | Renamed subheading   |
| Monitoring a Firm's quality management policies and procedures | Monitoring a Firm's quality control policies and procedures |  |
| 4.65   | 106   | Amended references to Reasonable Assurance to reasonable confidence and system of quality control to System of Quality Management and removed reference to Engagement Quality Control Review. Also removed the requirement on person assigned responsibility for monitoring (covered by proposed paragraph 3.15) and changed to use the defined term Inspection to make it clear what the inspection involves.   |
| 4.66   | 107   | Amended references to quality control to quality management, system of quality control to System of Quality Management and changed dot points to alpha list.   |
| 4.67   | 108   | Amended references to quality control to quality management and system of quality control to System of Quality Management. Removed analysis of confirmation of compliance with policies and procedures on Independence as it relates to Assurance Practices only and is outside of the scope of reissued APES 320.   |
| 4.68   | AUST 109  | Removed boxed part of paragraph related to Assurance Practices and is outside of the scope of reissued APES 320.   |
| -  | 110-118   | Paragraphs removed as they relate to Assurance Practices and are outside the scope of reissued APES 320.   |
| 4.69   | 128   | Amended reference to system of quality control to System of Quality Management.  |
| 4.70   | 126   | Amended references to system of quality control to System of Quality Management and quality control to quality management.   |
| Complaints and allegations                                     | Complaints allegations                                      |  |
| 4.71   | 119 & 129   | Consolidated paragraphs 119 and 129 of extant APES 320 and amended references to Reasonable Assurance to reasonable confidence and system of quality control to System of Quality Management. Added reference to and footnote on whistleblowing.   |
| 4.72   | 120   | Simplified the wording the paragraph but the substance remains the same.   |
| -  | 121   | Removed paragraph as it relates to Assurance Practices and is outside of the scope of reissued APES 320.   |
| 4.73   | 123   | Simplified the wording the paragraph but the substance remains the same. Amended reference to Suitably Qualified External Person to Service Providers.   |
| Remediation  |   | Subheading added   |
| 4.74   | 122   | Amended requirement to undertake appropriate remedial actions in respect of Monitoring or complaints and allegations that indicate there are deficiencies in the System of Quality Management.   |
| 4.75   | 115   | Application material of list of appropriate remedial actions derived from paragraph 115 in extant APES 320 and paragraph 45 of ASQM 1 about other appropriate actions and legal advice. Added to advise the client of inappropriate reports.   |
| <b>5 Transitional Provisions</b>                               | Effective Date  | Added section number and renamed heading   |

| Proposed APES 320 ED<br>(August 2021)                             | Extant APES 320<br>(September 2019)   | High level summary of changes (excluding minor editorials and changes to paragraph references within paragraphs resulting from new numbering system in the proposed APES 320 ED)  |
|---|---|---|
| Note that paragraphs are p  | presented in the order of the   | proposed APES 320 ED (August 2021)  |
| 5.1   | 130   | Amended to reflect the transition from APES 320 issued in September 2019 to incorporate amendments to their systems by 1 January 2023 to establish Systems of Quality Management.   |
| Conformity with<br>International<br>Pronouncements                | Conformity with<br>International<br>Pronouncements                                  |   |
| APES 320 and ISQC 1   | APES 320 and ISQC1/ISQM 1   | Subheading amended.   |
| of quality management   | Appendix 1 Application requirements for Firms                                       | Subheading amended.   |
|   |   | Amended flow chart to reflect paragraph 1.10 of reissued APES 320 that the non-assurance practice and Engagements of firms are required to comply with APES 320 and Assurance Practices within Firms are to comply with ASQM 1 and 2 and ASA 220. |
| Appendix 2 - Comparison of APES 320 elements to ASQM 1 components |   | Appendix Added  |
|   |   | Demonstrates the high level alignment between proposed APES 320 and ASQM 1 with paragraph references for all elements and components of the standards to assist firms that perform both non-assurance and assurance Engagements.                  |
|   | Appendix 2: Summary of revisions to the previous APES 320 (Issued in December 2015) | Appendix Removed  |
|   |   | As proposed APES 320 is being reissued rather than revised, summarising revisions in this table is unnecessary. This mapping table provides stakeholders with sufficient information to navigate changes from extant APES 320.                    |
