Reasons for issuing Exposure Draft 01/23

Accounting Professional & Ethical Standards Board Limited (APESB) proposes to amend APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) to incorporate changes made by the International Ethics Standards Board for Accountants (IESBA) to the *International Code of Ethics for Professional Accountants (including International Independence Standards)* (the International Code). The objectives of the IESBA's changes to the International Code were to:

- align the definition of Engagement Team with the revised definition in ISA 220 (Revised) *Quality Management for an Audit of Financial Statements* whilst maintaining the international independence standards (IIS) as clear and appropriate and only applying to individuals within the revised definition who must be independent in the context of an audit engagement; and
- revise the IIS to be robust, comprehensive and clear when applied to group audits, including regarding the independence of component auditors outside the group auditor firm's network.

This Exposure Draft sets out proposed amendments to the current version of the Code. The proposed key changes are summarised below:

- guidance on the types of experts included in the definitions of Engagement Team and Audit Team;

 - Independence for Group Audit Team members within, or engaged by, a Group Auditor Firm and its Network and Group Audit Team members within, or engaged by, a Component Auditor Firm outside the Group Auditor Firm's Network;

 - Component Auditor Firms outside the Group Auditor Firm's Network holding financial interests in, and having loans involving, the Group Audit Client;

SECTION 405

GROUP AUDITS

Introduction

405.1 Section 400 requires a Firm to be independent when performing an Audit Engagement, and to apply the conceptual framework set out in Section 120 to identify, evaluate and address threats to Independence. This section sets out specific requirements and application material relevant to applying the conceptual framework when performing a Group Audit Engagement.

Requirements and Application Material

General

405.2 A1 Auditing and Assurance Standards apply to an audit of Group Financial Statements. ASA 600 (Revised) deals with special considerations that apply to an audit of Group Financial Statements, including when Component auditors are involved. ASA 600 (Revised) requires the Group Engagement Partner to take responsibility for confirming whether the Component auditors understand and will comply with the relevant ethical requirements, including those related to Independence, that apply to the Group Audit. The Independence requirements referred to in ASA 600 (Revised), or other relevant auditing standards applicable to Group Audits that are equivalent to ASA 600 (Revised), are those specified in this section.

405.2 A2 A Component Auditor Firm that participates in a Group Audit Engagement might separately issue an audit opinion on the Financial Statements of the Component Audit Client. Depending on the circumstances, the Component Auditor Firm might need to comply with different Independence requirements when performing audit work for a Group Audit and separately issuing an audit opinion on the Financial Statements of the Component Audit Client for statutory, regulatory or other reasons.

Communication Between a Group Auditor Firm and a Component Auditor Firm

R405.3 **ASA 600 (Revised) requires the Group Engagement Partner to take responsibility to make a Component auditor aware of the relevant ethical requirements that are applicable given the nature and the circumstances of the Group Audit Engagement. When making the Component Auditor Firm aware of the relevant ethical requirements, the Group Auditor Firm shall communicate at appropriate times the necessary information to enable the Component Auditor Firm to meet its responsibilities under this section.**

405.3 A1 Examples of matters the Group Auditor Firm might communicate include:

- Whether the Group Audit Client is a Public Interest Entity and the relevant ethical requirements applicable to the Group Audit Engagement.
- The Related Entities and other Components within the Group Audit Client that are relevant to the Independence considerations applicable to the Component Auditor Firm and the Group Audit Team members within, or engaged by, that Firm.
- The period during which the Component Auditor Firm is required to be Independent.

- Whether an audit partner who performs work at the Component for purposes of the Group Audit is a Key Audit Partner for the Group Audit.

R405.4 ASA 600 (Revised) also requires the Group Engagement Partner to request the Component auditor to communicate whether the Component auditor has complied with the relevant ethical requirements, including those related to Independence, that apply to the Group Audit Engagement. For the purposes of this section, such request shall include the communication of:

- (a) Any Independence matters that require significant judgement; and
- (b) In relation to those matters, the Component Auditor Firm's conclusion whether the threats to its Independence are at an Acceptable Level, and the rationale for that conclusion.

405.4 A1 If a matter comes to the attention of the Group Engagement Partner that indicates that a threat to Independence exists, ASA 220 (Revised) requires the Group Engagement Partner to evaluate the threat and take appropriate action.

Independence Considerations Applicable to Individuals

Members of the Group Audit Team Within, or Engaged by, a Group Auditor Firm and Its Network Firms

R405.5 Members of the Group Audit Team within, or engaged by, the Group Auditor Firm and its Network Firms shall be Independent of the Group Audit Client in accordance with the requirements of this Part that are applicable to the Audit Team.

Other Members of the Group Audit Team

R405.6 Members of the Group Audit Team within, or engaged by, a Component Auditor Firm outside the Group Auditor Firm's Network shall be Independent of:

- (a) The Component Audit Client;
- (b) The entity on whose Group Financial Statements the Group Auditor Firm expresses an opinion; and
- (c) Any entity over which the entity in subparagraph (b) has direct or indirect control, provided that such entity has direct or indirect control over the Component Audit Client.

in accordance with the requirements of this Part that are applicable to the Audit Team.

R405.7 In relation to Related Entities or Components within the Group Audit Client other than those covered in paragraph R405.6, a member of the Group Audit Team within, or engaged by, a Component Auditor Firm outside the Group Auditor Firm's Network shall notify the Component Auditor Firm about any relationship or circumstance the individual knows, or has reason to believe, might create a threat to the individual's Independence in the context of the Group Audit.

405.7 A1 Examples of relationships or circumstances involving the individual or any of the individual's Immediate Family members, as applicable, that are relevant to the individual's consideration when complying with paragraph R405.7 include:

- A Direct or material Indirect Financial Interest in an entity that has control over the Group Audit Client if the Group Audit Client is material to that entity (see Section 510).

- A loan or guarantee involving: (see Section 511)
 - An entity that is not a bank or similar institution unless the loan or guarantee is immaterial; or

 - An employee in a position to exert significant influence over the preparation of an entity's accounting records or Financial Statements.

R405.8 Upon receiving the notification as set out in paragraph R405.7, the Component Auditor Firm shall evaluate and address any threats to Independence created by the individual's relationship or circumstance.

Independence Considerations Applicable to a Group Auditor Firm

R405.9 A Group Auditor Firm shall be Independent of the Group Audit Client in accordance with the requirements of this Part that are applicable to a Firm.

Independence Considerations Applicable to Network Firms of a Group Auditor Firm

R405.10 A Network Firm of the Group Auditor Firm shall be Independent of the Group Audit Client in accordance with the requirements of this Part that are applicable to a Network Firm.

Independence Considerations Applicable to Component Auditor Firms outside a Group Auditor Firm's Network

All Group Audit Clients

R405.11 A Component Auditor Firm outside the Group Auditor Firm's Network shall:

- (a) Be Independent of the Component Audit Client in accordance with the requirements set out in this Part that are applicable to a Firm with respect to all Audit Clients;
- (b) Apply the relevant requirements in paragraphs R510.4(a), R510.7 and R510.9 with respect to Financial Interests in the entity on whose Group Financial Statements the Group Auditor Firm expresses an opinion; and
- (c) Apply the relevant requirements in Section 511 with respect to loans and guarantees involving the entity on whose Group Financial Statements the Group Auditor Firm expresses an opinion.

R405.12 When a Component Auditor Firm outside the Group Auditor Firm's Network knows, or has reason to believe, that a relationship or circumstance involving the Group

Audit Client, beyond those addressed in paragraph R405.11(b) and (c), is relevant to the evaluation of the Component Auditor Firm's Independence from the Component Audit Client, the Component Auditor Firm shall include that relationship or circumstance when identifying, evaluating and addressing threats to Independence.

R405.13 When a Component Auditor Firm outside the Group Auditor Firm's Network knows, or has reason to believe, that a relationship or circumstance of a Firm within the Component Auditor Firm's Network with the Component Audit Client or the Group Audit Client creates a threat to the Component Auditor Firm's Independence, the Component Auditor Firm shall evaluate and address any such threat.

Period During which Independence is Required

405.14 A1 The references to the Financial Statements and the audit report in paragraphs R400.30 and 400.30 A1 mean the Group Financial Statements and the audit report on the Group Financial Statements, respectively, when applied in this section.

Group Audit Clients that are Not Public Interest Entities

R405.15 When the Group Audit Client is not a Public Interest Entity, a Component Auditor Firm outside the Group Auditor Firm's Network shall be Independent of the Component Audit Client in accordance with the requirements set out in this Part that are applicable to Audit Clients that are not Public Interest Entities for the purposes of the Group Audit.

405.15 A1 Where a Component Auditor Firm outside the Group Auditor Firm's Network also performs an Audit Engagement for a Component Audit Client that is a Public Interest Entity for reasons other than the Group Audit, for example, a statutory audit, the Independence requirements that are relevant to Audit Clients that are Public Interest Entities apply to that engagement.

Group Audit Clients that are Public Interest Entities

Non-Assurance Services

R405.16 Subject to paragraph R405.17, when the Group Audit Client is a Public Interest Entity, a Component Auditor Firm outside the Group Auditor Firm's Network shall comply with the provisions in Section 600 that are applicable to Public Interest Entities with respect to the provision of non-assurance services to the Component Audit Client.

405.16 A1 Where the Group Audit Client is a Public Interest Entity, a Component Auditor Firm outside the Group Auditor Firm's Network is prohibited from, for example:

- Providing accounting and bookkeeping services to a Component Audit Client that is not a Public Interest Entity (see Subsection 601).
- Designing the information technology system, or an aspect of it, for a Component Audit Client that is not a Public Interest Entity where such information technology system generates information for the Component Audit Client's accounting records or Financial Statements (see Subsection 606).
- Acting in an advocacy role for a Component Audit Client that is not a Public Interest Entity in resolving a dispute or litigation before a tribunal or court (see Subsection 608).

405.16 A2 The financial information on which a Component Auditor Firm outside the Group Auditor Firm's Network performs audit procedures is relevant to the evaluation of the self-review

threat that might be created by the Component Auditor Firm's provision of a non-assurance service, and therefore the application of Section 600. For example, if the Component Auditor Firm's audit procedures are limited to a specific item such as inventory, the results of any non-assurance service that form part of or affect the accounting records or the financial information related to the accounting for, or the internal controls over, inventory are relevant to the evaluation of the self-review threat.

R405.17 As an exception to paragraph R405.16, a Component Auditor Firm outside the Group Auditor Firm's Network may provide a non-assurance service that is not prohibited under Section 600 to a Component Audit Client without communicating information about the proposed non-assurance service to Those Charged with Governance of the Group Audit Client or obtaining their concurrence regarding the provision of that service as addressed by paragraphs R600.21 to R600.24.

Key Audit Partners

R405.18 The Group Engagement Partner shall determine whether an audit partner who performs audit work at a Component for purposes of the Group Audit is a Key Audit Partner for the Group Audit. If so, the Group Engagement Partner shall:

(a) Communicate that determination to that individual; and

(b) Indicate:

(i) In the case of all Group Audit Clients, that the individual is subject to paragraph AUST R411.4, and

(ii) In the case of Group Audit Clients that are Public Interest Entities, that the individual is also subject to paragraphs R524.6, R540.5(c) and R540.20.

405.18 A1 A Key Audit Partner makes key decisions or judgements on significant matters with respect to the audit of the Group Financial Statements on which the Group Auditor Firm expresses an opinion in the Group Audit.

Changes in Components

All Group Audit Clients

R405.19 When an entity that is not a Related Entity becomes a Component within the Group Audit Client, the Group Auditor Firm shall apply paragraphs R400.71 to R400.76.

Changes in Component Auditor Firms

All Group Audit Clients

405.20 A1 There might be circumstances in which the Group Auditor Firm requests another Firm to perform audit work as a Component Auditor Firm during or after the period covered by the Group Financial Statements, for example due to a client merger or acquisition. A threat to the Component Auditor Firm's Independence might be created by:

(a) Financial or business relationships of the Component Auditor Firm with the Component Audit Client during or after the period covered by the Group Financial Statements but before the Component Auditor Firm agrees to perform the audit work; or

(b) Previous services provided to the Component Audit Client by the Component Auditor Firm.

405.20 A2 Paragraphs 400.31 A1 to A3 set out application material that is applicable for a Component Auditor Firm's assessment of threats to Independence if a non-assurance service was provided by the Component Auditor Firm to the Component Audit Client during or after the period covered by the Group Financial Statements, but before the Component Auditor Firm begins to perform the audit work for the purposes of the Group Audit, and the service would not be permitted during the Engagement Period.

405.20 A3 Paragraph 400.31 A4 sets out application material that is applicable for a Component Auditor Firm's assessment of threats to Independence if a non-assurance service was provided by the Component Auditor Firm to the Component Audit Client prior to the period covered by the Group Financial Statements.

Group Audit Clients that are Public Interest Entities

405.21 A1 Paragraphs R400.32 and 400.32 A1 are applicable when a Component Auditor Firm agrees to perform audit work for Group Audit purposes in relation to a Group Audit Client that is a Public Interest Entity if the Component Auditor Firm has previously provided a non-assurance service to the Component Audit Client.

405.21 A2 Paragraphs R600.25 and 600.25 A1 are applicable in relation to a non-assurance service provided, either currently or previously, by a Component Auditor Firm to a Component Audit Client when the Group Audit Client subsequently becomes a Public Interest Entity.

Breach of an Independence Provision at a Component Auditor Firm

405.22 A1 A breach of a provision of this section might occur despite a Component Auditor Firm having a system of quality management designed to address Independence requirements. Paragraphs R405.23 to R405.29 are relevant to a Group Auditor Firm's determination as to whether it would be able to use a Component Auditor Firm's work if a breach has occurred at the Component Auditor Firm.

405.22 A2 In the case of a breach at a Component Auditor Firm within the Group Auditor Firm's Network, paragraphs R400.80 to R400.89 also apply to the Group Auditor Firm in relation to the Group Audit, as applicable.

When a Component Auditor Firm Identifies a Breach

R405.23 If a Component Auditor Firm concludes that a breach of this section has occurred, the Component Auditor Firm shall:

- (a) End, suspend or eliminate the interest or relationship that created the breach and address the consequences of the breach;**
- (b) Evaluate the significance of the breach and its impact on the Component Auditor Firm's objectivity and ability to perform audit work for the purposes of the Group Audit;**
- (c) Depending on the significance of the breach, determine whether it is possible to take action that satisfactorily addresses the consequences of the breach and whether such action can be taken and is appropriate in the circumstances; and**
- (d) Promptly communicate in writing the breach to the Group Engagement Partner, including the Component Auditor Firm's assessment of the significance of the breach and any actions proposed or taken to address the consequences of the breach.**

405.23 A1 Paragraphs 400.80 A2 and A3 set out application material relevant to the Component Auditor Firm's evaluation of the significance and impact of the breach on the Component Auditor Firm's objectivity and ability to issue an opinion or conclusion on the audit work performed at the Component for purposes of the Group Audit, and its consideration of any actions that might be taken to address the consequences of the breach satisfactorily.

R405.24 Upon receipt of the Component Auditor Firm's communication of the breach, the Group Engagement Partner shall:

- (a)** Review the Component Auditor Firm's assessment of the significance of the breach and its impact on the Component Auditor Firm's objectivity, and any action that can be or has been taken to address the consequences of the breach;
- (b)** Evaluate the Group Auditor Firm's ability to use the work of the Component Auditor Firm for the purposes of the Group Audit; and
- (c)** Determine the need for any further action.

R405.25 In applying paragraph R405.24, the Group Engagement Partner shall exercise professional judgement and take into account whether a reasonable and informed third party would be likely to conclude that the Component Auditor Firm's objectivity is compromised, and therefore, the Group Auditor Firm is unable to use the work of the Component Auditor Firm for the purposes of the Group Audit.

405.25 A1 If the Group Engagement Partner determines that the consequences of the breach have been satisfactorily addressed by the Component Auditor Firm and does not compromise the Component Auditor Firm's objectivity, the Group Auditor Firm may continue to use the work of the Component Auditor Firm for the Group Audit. In certain circumstances, the Group Engagement Partner might determine that additional actions are needed to satisfactorily address the breach in order to use the Component Auditor Firm's work. Examples of such action include the Group Auditor Firm performing specific procedures on the areas impacted by the breach or requesting the Component Auditor Firm to perform appropriate remedial work on the affected areas.

405.25 A2 ASA 600 (Revised) sets out that if there has been a breach by a Component auditor and the breach has not been satisfactorily addressed, the Group auditor cannot use the work of that Component auditor. In those circumstances, the Group Engagement Partner might find other means to obtain the necessary audit evidence on the Component Audit Client's financial information. Examples of such means include the Group Auditor Firm performing the necessary audit work on the Component Audit Client's financial information or requesting another Component Auditor Firm to perform such audit work.

Discussion with Those Charged with Governance of the Group Audit Client

405.26 A1 With respect to breaches by a Component Auditor Firm within the Group Auditor Firm's Network, paragraph R400.84 applies.

R405.27 With respect to breaches by a Component Auditor Firm outside the Group Auditor Firm's Network, the Group Auditor Firm shall discuss with Those Charged with Governance of the Group Audit Client:

- (a)** The Component Auditor Firm's assessment of the significance and impact of the breach on the Component Auditor Firm's objectivity, including the nature and duration of the breach, and the action that can be or has been taken; and

(b) Whether:

(i) The action will satisfactorily address, or has addressed, the consequences of the breach; or

(ii) The Group Auditor Firm will use other means to obtain the necessary audit evidence on the Component Audit Client's financial information.

Such discussion shall take place as soon as possible unless an alternative timing is specified by Those Charged with Governance for reporting less significant breaches.

R405.28 The Group Auditor Firm shall communicate in writing to Those Charged with Governance of the Group Audit Client all matters discussed in accordance with paragraph R405.27 and obtain the concurrence of Those Charged with Governance that the action can be or has been taken to satisfactorily address the consequences of the breach.

R405.29 If Those Charged with Governance do not concur that the action that can be or has been taken would satisfactorily address the consequences of the breach at the Component Auditor Firm, the Group Auditor Firm shall not use the work performed by the Component Auditor Firm for the purposes of the Group Audit.

Potential Threats Arising from the Provision of Internal Audit Services

All Audit Clients

[Paragraph 605.4 A1 of extant Subsection 605 remains unchanged.]

605.4 A2 When a **Firm** uses the work of an internal audit function in an **Audit Engagement**, **Auditing and Assurance Standards** require the performance of procedures to evaluate the adequacy of that work. Similarly, when a **Firm** or a **Network Firm** accepts an engagement to provide internal audit services to an **Audit Client**, the results of those services might be used in conducting the external audit. This might create a self-review threat because it is possible that the **Audit-Engagement Team** will use the results of the internal audit service for purposes of the **Audit Engagement** without:

- (a) Appropriately evaluating those results; or
- (b) Exercising the same level of professional scepticism as would be exercised when the internal audit work is performed by individuals who are not members of the **Firm**.

605.4 A3 Factors that are relevant in identifying a self-review threat created by providing internal audit services to an **Audit Client**, and evaluating the level of such a threat include:

- The materiality of the related **Financial Statements** amounts.
- The risk of misstatement of the assertions related to those **Financial Statement** amounts.
- The degree of reliance that the **Audit-Engagement Team** will place on the work of the internal audit service.

When a self-review threat for an **Audit Client** that is a **Public Interest Entity** has been identified, paragraph R605.6 applies.
